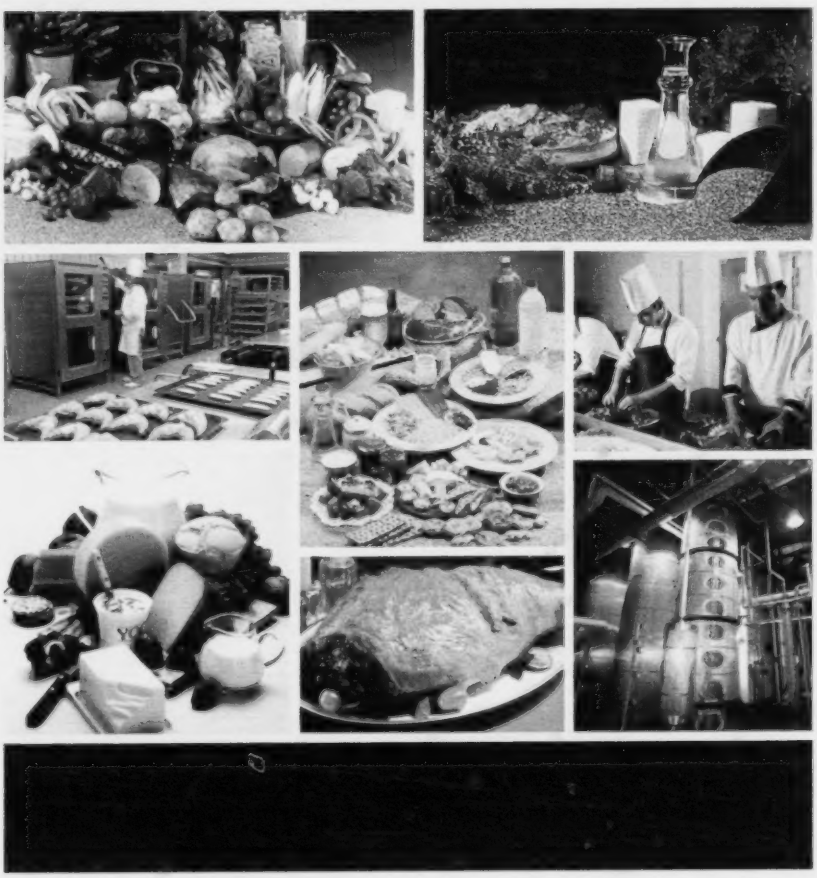
Alberta's Agricultural Processing Industry



FOREWORD

The Rural Extension and Industry Development Division of Alberta Agriculture and Rural Development presents Alberta's Agricultural Processing Industry Directory as a guide for learning about our agri-processing companies and supporting agencies. It serves as a quick reference for current company information including contact personnel, products and brand names.

The directory is divided into five sections.

1. Alberta's Agricultural Processing Industry Overview

   Includes an overview of the value of the agricultural processing industry in Alberta, a summary of key contacts and services available to the agri-processing industry from Alberta Agriculture and Rural Development, and statistical tables and charts

2. Alberta Product Index

   Companies are listed alphabetically according to product categories broken into Food Processors and Other Agricultural Processing. Page numbers are provided for easy access to the detailed company information.

3. Alberta's Agricultural Processing Companies

   Companies are listed in alphabetical order. Current company information is provided including address, telephone, fax, email, web site, management contacts, export contacts, products and brands.

4. Industry Organizations

   Information is provided for key agri-food industry organizations including address, telephone, fax, email, web site and contacts.

5. Company Location Index

   Companies are listed by their location in the province. An Alberta map is been included for a quick reference.

   The directory is also available on the web: http://www.agric.gov.ab.ca/app68/foodindustry

   Company location online: http://www.agric.gov.ab.ca/app68/listings/foodindustry/foodindustry_map.jsp

Considerable effort has been taken to ensure the accuracy of the company listings and information shown and we regret any errors or omissions. The directory was prepared by the collation of information made available to Alberta Agriculture and Rural Development. Neither the Department nor any of its employees assume any legal liability or responsibility for the accuracy or completeness of the information. The listing of any company or product in this guide does not reflect an endorsement of the company or product by Alberta Agriculture and Rural Development. Alberta companies are asked to assist in keeping this directory current. As changes occur in the information presented for any company or organization, or if you are an Alberta processor and wish to be included in the next edition, please contact:

Alberta's Agricultural Processing Industry

Rural Extension and Industry Development Division

The Rural Extension and Industry Development Division delivers business development services to agriculture businesses, food processors and organizations. Business development activities focus on improving the competitiveness and profitability of industry clients. The Division also assures the effective delivery of agriculture educational training, leadership and grant programs, as well as front-line client contact services for industry clients through the Ag-Info Centre and 13 Field offices. The Division also manages the 4-H, Farm Safety, Green Certificate, Farmers Market and Agriculture Service Board programs.

Our industry development services include:

Ag-Info Centre

Toll-free in Alberta: 310 FARM (310-3276), Out of province 403-742-7901
The Ag-Info Centre provides access to all specialists, information and services within Alberta Agriculture and Rural Development. The Centre is staffed with specialists in the areas of crops, specialty crops, beef, forage, business management, and new ventures. Resource agents answer questions, forward callers to a specialist or refer the caller to other information sources. The Centre is your first link to Alberta Agriculture's people, services, and programs across the province.

Crop Business Development Branch

Phone: 403-340-5322 Fax: 403-340-4896 (Toll-free 310-0000)
"innovation and impact"
The Branch is a team of specialists who focus on using the value chain approach to sustain, grow and diversify Alberta's crop-based agriculture and food industries. The Branch team members are located throughout Alberta and can be contacted for technical expertise, market information, business development advice, networking opportunities and links to resources.

Livestock & Farm Business Development Branch

Phone: 403-556-4321 Fax: 403-556-7545 (Toll-free 310-0000)
"We will work with clients and industry groups that are ready, willing, and able to change, learn and improve."
This Branch provides support to livestock producers in value chains to expand livestock production to supply slaughter capacity, identify new markets including diversified livestock and add value to primary production. Development Officers assist processors of meat products and other products derived from livestock including eggs, pet food and non-food products.

Local/Domestic Market Expansion Branch

Phone: 780-968-3510 Fax: 780-968-3554 (Toll-free 310-0000)
"helping to grow Alberta's local food market"
Support provided for entrepreneurs involved in agricultural related industries including food and non-food processing, farm direct sales, on-farm processing, ag-tourism and organics. General advice and coaching provided in areas such as self-assessment, marketing, business planning, financing, regulations, pricing and cost of production. Follow-up support and connection to Alberta Agriculture and Rural Development and other industry expertise provided.

Processing Industry & Workforce Development Branch

Services are customized to support industry's business improvement goals and include: market expansion, access to capital, investment attraction, lean manufacturing and productivity support, workforce development and value chain strategies.

Key Services for Agri-Processors

Alberta Agriculture and Rural Development

Services for Agri Processors: www.agric.gov.ab.ca/app68/agriprocessors
This link provides Alberta's agricultural processors with a comprehensive database of food distribution channels and other service providers. Each listing provides detailed contact information and available services.

Agrivalue Processing Business Incubator – *Robert Gibson*
Phone: 780-980-4244 (Toll free: 310-0000)
The Agrivalue Processing Business Incubator (APBI) is a 75,000 sq ft, Canadian Food Inspection Agency registered facility offering privately accessed, fully serviced food processing suites of varying size, design and leasing costs. It is complemented with shared shipping and receiving bays and cold storage. The APBI is dedicated to assisting food processors in the scale-up and commercialization of new products and technologies so they can eventually establish their own facilities. Early stage business entrepreneurs and the more established food organizations will find the Incubator and its campus of services a unique avenue for developing and processing an array of food products for the value-added market.

Food Processing Development Centre – *Ken Gossen*
Phone: 780- 986-4793 (Toll free: 310-0000)
A modern, fully equipped pilot plant and product development laboratory facility staffed with experienced food scientists, engineers and technologists. Centre services are designed to strengthen and expand the capability of Alberta's food processors to meet the challenges of the marketplace through application of new technology and the development of new or improved products and processes.

Food Science and Technology Centre – *Darcy Dreidger*
Crop Diversification Centre South: Phone: 403-362-1339 (Toll Free: 310-0000)
Located in Brooks, this facility's staff has expertise ranging from post-harvest handling and storage of horticultural crops to pilot-scale production of pet food and they provide technical leadership to ensure that Alberta companies have the knowledge and capabilities to compete globally. Services available to the agri-food industry include product development, specialized testing and interim production.

Sensory Evaluation Centres – *Karen Erin*
Food Processing Development Centre: Phone 780- 986-4793 (Toll Free 310-0000)
Consumer Product Testing Centre: Phone: 780- 415-6268 (Toll Free 310-0000)
The Centres provide comprehensive sensory evaluation services, which include both consumer acceptability and trained panel testing. Through the use of trained panels, researchers and industry assess the effect of ingredients and processes on their product initially and over time by measuring human responses that cannot be predicted by chemical or instrumental measures. Consumer panels are also used to measure product acceptability and can provide information about specific product attributes such as flavour, appearance, texture and packaging.

Research and Innovation Division – *Connie Phillips*
Phone: 780-679-5172 (Toll Free 310-0000)
The Research and Innovation Division undertakes applied research, experimental development, technology development and demonstration, knowledge transfer and business development activities with the intent of enabling a competitive, self-reliant agriculture, agri-food and agri-product sector. The Division supports industry through these activities as well as through its regulatory responsibilities, legislative administration and primary focus on the following six broad areas: (1) Agronomy and Pulse Crops, (2) Bioindustrial Process and Product Development, (3) Feed Crops, (4) Greenhouse Production, (5) Integrated Pest Management and Surveillance, and (6) Livestock Production Efficiency, Animal Health, and Food Safety. The activities and responsibilities of the Division are driven by industry needs and a number of considerations such as market competitiveness; emerging economic opportunities; new market access; food quality, safety, and security; plant and animal health; climate change adaptation; and sustainable use of natural resources.

Food Safety – *Wanda Aubee*
Phone: 780-415-4522 (Toll Free: 310-0000)
www.agriculture.ca/foodsafety
The Food Safety and Animal Health Division focuses on safe food production systems and supporting market access for Alberta's agriculture and food industry. The Division facilitates the adoption of internationally-accepted food safety systems and standards in food production and processing; maintains the Alberta HACCP Advantage standard, providing processors with a framework for food safety system adoption; maintains a surveillance system that validates and continually improves food safety and animal health; minimizes the impact of animal diseases on public health; provides essential non-routine animal disease investigation services; and plans for and responds to food safety and animal health emergencies.

International Relations and Marketing Branch - *Annalisa Baer*
www.agrifoodalberta.ca
The International Relations and Marketing Branch works to support the growth and diversity of Alberta's agricultural exports, and advance market access issues. Geographically focused on the United States, Asia, Latin America, Middle East and European markets, the Branch provides Alberta agri-processors interested in pursuing export markets with: market information and intelligence; export assistance and advice; market opportunities; and buyer-seller connections.

Alberta Food Processors Association (AFPA)

A non-profit organization representing all segments of the food and beverage industry: growers, processors, retailers, foodservice buyers and service suppliers. AFPA brings many benefits to its members by helping them build capacity and improve their knowledge and their competitive advantage. AFPA offers quality programs and services including food safety and quality program development, training, marketing and logistics and innovation. The Association acts as an advocate to provide a single voice for industry.
